

Clinical  
Enterprise

ATTENTION

SEPTEMBER 10, 2020

URGENT REMINDER

IATA Shipping Requirement

Please be advised that in accordance to IATA\* requirements, FedEx will **NOT** deliver any clinical specimens, including swabs that are not enclosed in a rigid container (i.e. box).

If you have been shipping samples in a FedEx envelope, these envelopes must be placed in a box and include a **UN3373** marking on it for delivery to our laboratory.

*For more information, contact your Eurofins Clinical Enterprise representative or call Customer Care at 833.644.0860.*
